SUBJECT: Forte Solutions Group, LLC Selected by Leading Global Provider of Industrial Maintenance Solutions

Dallas, Texas - Forte Solutions Group, LLC (FSG) announced it has signed a multi-million dollar contract with a global provider of industrial maintenance solutions to design, implement and maintain an worldwide Program Management Office (PMO). The PMO, which will work in tandem with the Company's existing development and implementation methodology, will ensure continuous project success and the use of industry best practices for technology projects are consistently applied. Additionally, the PMO will establish measurable standards for quality throughout the Company's international delivery offices.

FSG was selected as the provider of choice for this global strategic engagement based on company expertise and experience in designing, building, maintaining and improving large-scale Program Management Offices.

"Forte Solutions Group is proud to partner with this world-renown organization", says Joe Evans, President and CEO of Forte Solutions Group. "This initiative is in direct response to our client's continuing commitment to delivering high-quality products for its global customers".

FSG has substantial expertise and innovation experience in designing and developing PMO's. This engagement will allow our client to improve their productivity and efficiency in developing, maintaining, and enhancing their internal business applications.
